

Thank you notes/messages received from Troops who got We Care Packages in July:

Good afternoon,

I'm P.B. I wanted to thank you for the 2 boxes that showed up from your organization. We really do appreciate it as we are a small unit, in a small town away from the USO's. Again, thank you for the box which are greatly appreciated from everyone at the unit.

Thank you so much for sending care packages to my NY Army National Guard unit deployed. We received the boxes the first week of July. This is my Soldier SGT B. He liked the snacks in his box. I really liked the organic soap, lotion, and toner in my box. We really appreciate your kindness and generosity in remembering us and supporting us. Thank you again.
